Dear Mr. Baum:

Reference is made to the above claim and your phone conversation with Marge Abrahamsen on April 5, 1991.

Please provide me with your report, including the next hearing date and whether or not you have received the employer's records on this matter. You indicated to Marge that you didn't know whether this man was actually an employee, date of hire, etc.

Thank you in advance for your time.

Sincerely,

Paula C. Williams
