Dear 2004 SHS Annual Meeting Participant:

Thank you for your attendance and participation in the meetings last week in Monterey, California. I hope each and every one of you had a pleasant stay at Asilomar and a safe return home. The plenary session presentations and a number of pictures have been posted on the home page of the Shanghai Health Study website at www.shanghaihealthstudy.org. The pictures will remain on the homepage until September 30th at which time they will be removed. To download a picture, click on the hyperlink, right-click on the picture and then click on "Save Image As" (Netscape) or "Save Picture As" (Internet Explorer). If you would like your picture removed prior to September 30th, please contact me (toddm@api.org) and I will gladly do so.

Attached is the attendee list which includes email and phone contact information.

Thanks again and best wishes until we meet again in Shanghai!

Matt Todd
