Dear Dr. Kehoe:-

Many thanks for sending me the newly typed copy of Dr. Dreessen's paper. It can be sent along to the printer with the others, when the time comes. I am sorry to have troubled you with the matter of re-typing, and I am grateful to you for doing it so promptly.

I will have all the galley-proof sent to you, and I am very glad that you prefer to have it done that way, as it will be easier that way, and done more promptly. The order-blanks for reprints will be sent with the galley-proof.

Sincerely yours,

Margaret S. Perry
