Professor P. A. Kehoe,  
University of Cincinnati,  
CINCINNATI 12,  
Ohio.

Dear Professor Kehoe,

I am indeed extremely grateful to you for your long letter of 19th April, and also for sending me the article on "Occupational Lead Exposure and Lead Poisoning".

This will be very useful when I have to deal with some of the underdeveloped countries overseas.

Kindest regards, as I trust you are flourishing.

Yours,
