Potential changes to the Quarterly Inspection were discussed. Recommended changes include:

1. Changing composition of the laboratory team to include laboratory employee members.

2. Review grouping of Offices & Services for award.

In addition, there is some concern that the interest is not being generated as expected.

Changes to the Annual Housekeeping Inspection were discussed. Proposed changes include:

1. Changing schedule to include recap time each day.

2. Include shops area in each unit inspection.

3. Rearrange order to mix units and other areas, for various reasons.

OLD BUSINESS

Bob Hammann discussed the OSHA inspection regarding asbestos insulation incidents.

Rufus Baca stated that the cooling tower brake project is well underway. He also discussed the contractor safety program, and will issue a report by mid-July.
