TO MEMBERS PCB AD HOC COMMITTEE
EIA PARTS DIVISION

Gentlemen:

Enclosed for your information is the material just received from the EPA which will serve as the basis of discussion at the January 24 meeting dealing with PCB marking and disposal regulations as required by the Toxic Substances Control Act.

The PCB Ad Hoc Committee witness will be Ray Clark of Universal Manufacturing Corp. You are urged to call him at 203-336-0161 and provide him with your input even if you also plan to attend the meeting.

Under date of January 6 we provided you with earlier information on this meeting and the general direction which it was expected to take.

Sincerely,

Tyler
