Subject: Western Growers Meeting Request

Dear Sydney,

Attached is a meeting request letter from Western Growers CEO, Tom Nassif. Our board of directors will be in DC the week of May 15th, and would appreciate the opportunity to meet with Administrator Pruitt.

As an aside, I'm good friends with Luke Holland, and got your contact information from him, if there is someone else that this request should go through additionally please advise or pass along as appropriate.

Thanks again, let me know if you need any additional information to process this request, and I look forward to hearing back.

Best,

Ken
