**Time** 3:50 PM – 4:20 PM  
**Subject** Meeting with National Alliance of Forest Owners  
**Location** Alm Room  
**Show Time As** Busy

Today's Date: April 3, 2017

Meeting Date: April 5, 2017

Meeting Time: 3:50 pm

Requested Location (if offsite, please list address, parking instructions, etc.): EPA, Administrator's Office

Requestor: The National Alliance of Forest Owners is an advocacy association of 48 companies and 29 forestry associations representing over 80 million acres of private forestland throughout the country. Nationwide, private forests constitute 70% of the nation's forests and support 2.4 million jobs and \$99 billion in annual payroll.

Purpose of the Meeting: To introduce the National Alliance of Forest Owners to the Administrator and discuss how forest owners and EPA can work together on water and air policies that will support jobs in the forestry sector and the rural economy overall.

Background on the Meeting: NAFO has two significant policy matters pending before EPA:

#### 1. Regulation of Biomass Carbon Emissions

- \* Forest biomass is a plentiful renewable energy resource that is typically the product of forest management or mill operations.
- \* Producing energy from this low value product provides mills with an efficient power supply, supports jobs in rural communities and provides a better economic return for forest owners, many of whom continue to struggle to find markets for their wood following the Great Recession.
- \* For many years, EPA policy treated biomass as carbon neutral, in line with the rest of the world, meaning that any carbon emitted from combustion of biomass is recaptured by growing forests as part of the natural carbon cycle.
- \* In 2010, without public notice or scientific basis, EPA's "Tailoring Rule" reversed that policy and regulated greenhouse gas emissions from biomass without regard for the natural carbon cycle.
- \* Since 2010 EPA has repeatedly committed to revise and clarify its biomass policy but failed to do so. The resulting uncertainty has stalled investment in biomass energy at mills and stand-alone facilities.

We are seeking to work with EPA to remove uncertainty about biomass in EPA policy through amendments to the Tailoring Rule that are pending at OMB. Clarity on biomass will correct EPA's policy on biomass, restore the natural forest carbon cycle as the underpinning for biomass energy policy, and support job-sustaining investment.

#### 2. Waters of the US (WOTUS) Regulations

- \* Forest management activities are generally consider nonpoint sources except for stormwater control ditches and herbicide applications.
- \* Courts have required NPDES permits for herbicide applications in forests, but EPA has elected not to regulate ditches as point sources.
- \* However, the expansion of WOTUS under the new definition will create confusion about where else the permits are required and what additional requirements are imposed if the ditches are now WOTUS.
- \* Features that EPA declared to be WOTUS in the revised definition that are of concern to NAFO members include ephemeral and intermittent streams, ditches, and isolated wetlands.

Role of the Administrator: To provide insight on the issues listed above.

**Subject** Meet and Greet of State Commissioners on EPA Lean Action Board  
**Location** The Mayflower  
**Show Time As** Busy  
 Requesting Office: Office of Policy

Title of the Meeting: Meet and Greet of State Commissioners on EPA Lean Action Board

Purpose: Introduce the state members of Lean Action Board (LAB), a group of senior EPA and state officials working collaboratively to eliminate waste and increase productivity in our environmental programs, to the Administrator. The LAB consists of 7 EPA SES members and the directors of two state (AZ, KS) environmental agencies. State LAB members will provide an overview of Lean activities and results at EPA and with its state partners, and describe how Lean is making a difference in how EPA manages our people and programs.

Role of the Administrator: This would be a quick meet and greet before or at the end of his stay at ECOS. It would not require a room and could be done in a discrete location of the lobby.

Background: Commissioned in 2015, the LAB brings together EPA and state environmental leaders to advance the practice of Lean and to foster a continuous improvement culture within EPA and states. During 2016 the LAB focused on identifying Lean projects with transferable solutions and is working with EPA and state partners to share successful results with other states and regions with similar processes in need of improvement.

Last possible date for the meeting: The state members of the LAB would appreciate the opportunity to meet with the Administrator at the Mayflower before or after his Keynote at the ECOS on April 7, 2017. The state members are Misael Cabrera (AZ) and John Mitchell (KS), who both are attending the ECOS meeting.

Is the meeting urgent and if so why?: Yes in that they are not in town often.

Requested Time Length: 10 minutes

EPA Staff (Required): Samantha Dravis (OP).

EPA Staff (Optional): Nena Shaw (OP).

External Participants: Just the two State Commissioners on the Lean Action Board - Misael Cabrera Cabrera.misael@azdeq.gov <mailto:Cabrera.misael@azdeq.gov> (DEQ Commissioner from Arizona) and John Mitchell (Director of the Division of the Environment at the Kansas Department of Health and Environment) jmitchell@kdheks.gov.

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics.Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free

attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. It may be

important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Board Meeting Request

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

 Subject: RE: Cement Association MAY Meeting/Keynote Request

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

**White House Ethics Pledge**

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering her a tangible gift to take home with her.

**Acceptance of Free Attendance (including meals)**

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

**Financial Disclosure Implications**

Because this is not a gift, there are no financial disclosure reporting obligations.

Evening Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Invitation to Administrator Pruitt for NACD Board Meeting

Hi Millan, Did the Administrator attend this event on Monday? I realized I hadn't answered this one. If so, it's okay! Here's the ethics advice to go along with this event. Jennie for OGC/Ethics

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a

lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

#### White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

#### Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Speaking Request Form

Hi Sydney, I can't find a record of this particular event either, so here's the advice!

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

#### White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

#### Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.
