MS. TOSTANOSKI: Thank you.

MR. IGNATOWSKI: Our report of May 29th, 1951, concerning the industrial hygiene survey may be of help to you in this regard.

We hope to publish this study either separately or in combination with similar studies pertaining to other dust.

In doing so, however, reference will be made only to hydrous calcium silicate and not to "Kaylo." Thus, the interest of your company will be safeguarded.

Of course, the final manuscript will be forwarded to you for review before being released to the publisher.

Your Honor, did I give you the date for that document?

THE COURT: No, you didn't.

MS. TOSTANOSKI: 2-7-52.

MR. IGNATOWSKI: February 7th, 1952.
