NEW YORK OFFICE

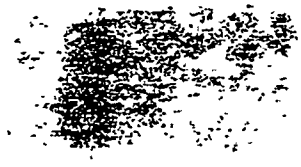

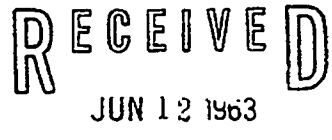

June 10, 1963

Mr. J. S. Holtaway
Industrial Hygiene Dept.
Chicago

I have received your answer to our letter of June 5th concerning the Martiudale Respirator. In Mr. Riley's absence from the office I have been advised by him to contact you and request that you get in touch with Mr. Baker direct, in order to clear up the question regarding this respirator.

Eileen Abbott
Secretary to G.A. Riley
