DOCUMENT DESCRIPTION: Letter to Vandiver Brown Stating Dr. Gardner's Report would Not Come for Many Years

Bridgeport, Conn.
April 15, 1948

Mr. Vandiver Brown, Secretary
Johns-Manville Corporation
22 East 40th Street
New York 16, New York

My dear Mr. Brown:

Mr. Simpson and I have discussed the work Dr. Gardner did at the Saranac Laboratory and have reached the conclusion that the industry could not possibly get a report on the work that was done under Dr. Gardner's direction for a long term of years.

Do you consider this matter closed or do you think there is any chance of getting some report through other staff members of the Saranac Laboratory?

Very truly yours,

JFDH:G
