

MEMORANDUM:

FROM: ROBERT A. KEROE, M. D.

DATE: MAY 10, 1960

The attached sheet of - Notations - will serve to indicate the changes required to correct and adapt my memorandum of April 1 to the facts as they now appear. The changes result in but little alteration of the original estimate of the gross cost of the Field Investigation on the West Coast, but this information provided now may prevent misunderstandings later.
