New York City 32.

Dear Doctor Blackburn:

Thanks very much for your letter of June 18. I reply briefly and hastily for the reason that I am leaving early tomorrow morning on a brief vacation. I shall be in my Laboratory all of the month of August, and if you should care to visit us at that time, I should be pleased to have you. My movements are somewhat uncertain until after the middle of September, but after that time I shall be readily available. I shall look forward to your visit.

Sincerely yours,

Robert A. Kehoe, M. D.
