This year we are expanding the Corporate Housekeeping Inspection booklet to include pictures of all plant safety committees.

Arrangements have been made with Gibbey's Photography for him to come to the plant on Wednesday, June 24, from 8:00 am to 10:00 am. Gibbey's will be set up in the large conference room, Personnel Building.

The men are requested to bring a coat and tie for the pictures.

If you have a conflict with this schedule, please contact me at extension 2206 as soon as possible so other arrangements can be made.
