

1 professional organizations that you are a member of,  
2 but I do want to ask about the American Industrial  
3 Hygiene Association.

4 What is that?

5 A That is a professional organization of  
6 people like me, of industrial hygienists.

7 Q Is that just for California or for the whole  
8 country?

9 A For the whole country.

10 Q In looking at your resume from 1993 to 1994  
11 you served as chairman on one of the association's  
12 committees; is that correct?

13 A Yes, sir.

14 Q What committee was that?

15 A That is the Occupational Epidemiology  
16 Committee.

17 Q What does that term refer to, and what is  
18 that committee interested in?

19 A Well, epidemiology is the study of disease  
20 in populations, and in my case my interests are in  
21 evaluating the exposures that may have led to that
