

17. ANSWER:

- (a) "GM Parts" (GM dealers) and "AC-Delco" (independent aftermarket).
- (b) Throughout the period 1950-1975.
- (c) See answer to Interrogatory No. 10(c), supra. No changes in type, grade, and percentile of asbestos in GM brake lining occurred during the period 1950-1975.
- (d) Available GM records are not maintained such that it is possible to respond for sales to GM dealers prior to the 1976 model year. The table below lists estimated disc pad and shoe linings sales volume by AC-Delco for model years 1958-1975:
