

1 service bulletins apparently not published by Ford,
2 but with permission of Ford according to the front
3 page concerning drawings. And it certainly looked
4 like good old Ford Model A stuff.

5 Q This also has -- and I can show you an index
6 of various topics on -- it has a service bulletin
7 index and the various topics of repair and maintenance
8 work for the Ford Model A; is that correct?

9 A That is what I see right now, yes.

10 Q And within that index it also contains a
11 section on brakes and brake linings? Linkage, excuse
12 me.

13 A Yes, those were mechanic brakes.

14 MS. HINES: At this time I would like to
15 offer Wood Miscellaneous 13 into evidence, and we will
16 substitute the appropriate pages.

17 MR. WILLIAMS: No objection, Your Honor.

18 THE COURT: Wood Miscellaneous 13 will be
19 admitted into evidence.

20 (Whereupon, Plaintiff's Wood Miscellaneous
21 Exhibit Number 13 was received into evidence.)
