Ken,

Thanks for attending last week's Region 5 meeting. It was great to get a chance to meet you. We are definitely looking forward to having you visit Michigan in the future.

As a follow-up to the meeting, I am attaching the letter the MDEQ sent to EPA requesting approval for the \$20 million of loan forgiveness for the City of Flint. Based on Chris Korleski's comments, it sounds like approval is needed beyond just Region 5. Any assistance you can provide for the MDEQ to move forward with forgiving the loan would be greatly appreciated.

Please let me know if you have any questions or need anything else.

Thanks Again,
