**Received:** 2018-09-19T17:05:24-04:00

Ms. Gelto-

I am writing, per Kate's (copied) recommendation, to inquire if the Secretary has time to meet with Bruce Culpepper on Wednesday, September 26? Mr. Culpepper is Shell Oil's President he has been the head of US operations, but is transitioning to retirement. I understand that he and the Secretary know each other.

The purpose of the meeting is to thank the Secretary for all he has done and discuss the hand off of authorities/issues as Shell transitions to a new head of US operations.

Kate indicated that next week was especially challenging for the Secretary's calendar, but that I should reach out to you. Also, should next week not work out, perhaps we could try to arrange time next month when the Secretary travels to Louisiana?

Thank you in advance for your assistance!

mike

The Steamboat Institute Campus Liberty Tour is an ongoing series of discussions on college campuses with the goal of teaching students not what to think but how to think.

The Steamboat Institute's inaugural Campus Liberty Tour conducted this spring at four universities nationwide featured Nigel Farage and Vicente Fox debating nationalism vs. globalism.

The debate at University of Maryland (moderated by Mary Kissel) was televised live by C Span, as well as streamed live on Facebook (thanks to our Blankley fellow Kelsey Harkness), allowing us to reach hundreds of thousands of people. You may view it [here](#).
