Subject: PBS Request to Attend Steam Electric Public Hearing on 7/31

Hi Megan,

I am reaching out for my colleague now so you know that we have your request. I know you have sent a couple of requests to the program office.

Tricia Lynn will be in touch with you in the morning with answers to your questions.

Thank you,
Enesta

Following up - please advise any policies regarding cameras at these hearings -- is there a pool feed, will we be able to bring in our own camera, move around, etc?

If easier to discuss by phone, I can be reached at [REDACTED] **Ex. 6**

Many thanks,
Megan
