File Cadillac

An IC Industries Company

Memorandum

Date: July 10, 1979

Subject: Cadillac, Formula 734-161

From: Horst Becker

To: Earle Bretz

Attached please find the study of the raw materials involved to produce the above formulation. The acetone extract test of approximately 30 different samples is in process. We will inform you of the results as soon as they become available.

I hope the information will be of help to convince GM that no changes on our part have taken place.
