

1 A That is correct, and I was wrong.

2 Q How much are you charging in this case?

3 A Since this case started from my perspective
4 after January 1st, 1996, I am charging \$400 per hour.

5 Q Is that your new consulting fee?

6 A Yes, sir.

7 Q Okay. We have got up here, Doctor, four
8 boards, and the first one is entitled asbestos
9 exposure and brake repair.

10 Can you tell the jury what this represents
11 exactly?

12 A This represents a compilation of
13 information, a series of numbers from a variety of
14 documents that I have collected that, I think,
15 represents the majority of studies dealing with
16 measurement of asbestos dust levels during brake
17 repair or in activities associated with brake repair
18 from all of the sources that I could find.

19 Q So this is the list that we were talking
20 about before we broke?

21 A Yes.
