## CALLING ALL CONSERVATIONISTS

Vote Wonders of Wildlife for "Best New Attraction"

Friends of CSF,

I'm excited to share with you that the Wonders of Wildlife Museum & Aquarium has been nominated for "Best New Attraction" in America by USA Today.

Founded by our dear friend and a leader in conservation, Johnny Morris, CEO of Bass Pro Shops, Wonders of Wildlife is an all-new 1.5 million-gallon Aquarium Adventure that brings visitors eye-to-eye with the greatest collection of record-setting game animals ever assembled; showcasing over 35,000 live fish, mammals, reptiles, amphibians, birds, and immersive Wildlife Galleries. This 350,000-square-foot experience celebrates sportsmen and women who hunt, fish, and act as stewards of our land and water.

As hunters, anglers, and conservationists, I encourage each and every one of you to join me in supporting all of the work Johnny and the Bass Pro Shops team do for conservation by visiting [www.wondersofwildlife.org/vote](http://www.wondersofwildlife.org/vote) or by clicking the button below, to cast your vote. Voting ends at 11 a.m. CST on January 1.

Sincerely,

Jeff Crane  
President, Congressional Sportsmen's Foundation
