26 July 1967

Harold J. Magnuson, M.D.
Institute of Industrial Health
University of Michigan
Ann Arbor, Michigan

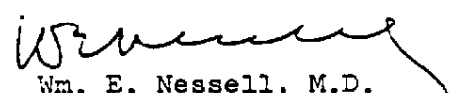

Dear Dr. Magnuson:

I have sent today by insured parcel post the x-rays,
medical reports and work histories of the vinyl
employees in the Springfield Plant.

I include with this letter the list of production
department numbers.

Very best regards.

Sincerely yours,

Wm. E. Nessel, M.D.

- Maury:

Did 164 films in all,
& none were positive
in my opinion.

Bill A.
