INTER OFFICE MEMO

TO Jean Shea, R.N. AT Assonet, Mass. DATE February 5, 1971
FROM Richard Henderson AT New Haven, Conn. COPY TO Mac Roy Gasque, M.D.
SUBJECT Occupational Acroosteolysis W. M. Dugl

Enclosed are copies of three papers that appeared in the January 1971 Archives of Environmental Health. I believe that you may find these of interest. With a copy of this memorandum I am sending a copy of these papers to Mr. Dugle. I would appreciate it if you would call these to the attention of Dr. Squillante.
