

## Interoffice Communication

To : Distribution  
From : M. P. Blackwell  
Date : April 21, 1982  
Subject: VINYL OPERATING MANUAL - REACTOR MANWAY OPENING

Attached is the revised copy of the operating manual reactor manway opening operating procedures. These will be included in both reactor unit operating manuals.

Please review and return to me by Wednesday, April 28, 1982.

  
Mickey Blackwell  
Vinyl Operations Engineer
