Onderwerp: Forum/WG restrictions / summary from the WG meeting 30.03.2022

Dear WG members,

Many thanks for participating in the WG meeting of the WG Enforceability of Restrictions last Wednesday, we tackled quite many issues in the same meeting and we tried to summarise this in the document annexed.

In this document, we have added the presentations and the ATD Regulation so that you can have all documents in one place.

Please send any comment, addition, suggestion for change, etc. that you think is relevant for the review of the summary. We will then amend later.

We follow-up on the specific items.
