FIRST-CLASS MAIL

About the Symposium: Concentration on new sources of energy and expansion of traditional health problems. Nuclear energy, with its new energy converter, will undoubtedly be expanded, and without electrical substitutes for traditional based fuels will be developed. The infrastructure of many new energy-converting devices will include new processes and exposures. Facilities for fuel, air pollution, and control of coal with its long about unfamiliar exposures, and it has been said that 100,000 more miners will be needed to increase coal production by 100% this year, thus multiplying even the existing health hazards.

WHO SHOULD ATTEND: This symposium is designed to assist management with the problems that threaten the health of workers so that they can be met and dealt with before they create an emergency situation, providing they are not taking and adequate preventive steps are taken. Presidents, vice presidents, occupational health physicians, hygienists, and all others having responsibilities for the health of the worker will benefit greatly from hearing these presentations and participating in the discussion.

REGISTRATION: Registration and return the registration form along with fee. All registrations will be confirmed by mail. Fee: \$170.00. Nonmembers: \$200.00.

Make checks payable to Industrial Health Foundation. Registration fee includes luncheon and breakfast. Hotel or other accommodation is not included.

CANCELLATIONS: Registrations cancelled after February 7 are subject to a \$25.00 administrative charge. No refunds without advance notice or cancellation.

PLACE: The University Club, 123 University Place, Pittsburgh, Pa. 15213. Phone: (412) 621-1890.

HOUSING: For the night of February 14 and 15 at Drake Hotel, 1000 Penn Ave., Pittsburgh, Pa. 15213. Phone: (412) 681-6000. Pittsburgh's Oakland district, walking distance to University Club. Breakfast held at group rate, until February 7. Use reservation form provided.
