Dear Mr. Merrill,

Due to an increase in .Rail Tariffs, effective February 14,1978, I am forced to adjust my charges for bulk service as follows;

Ground Crude Limestone (280)(w82) @.32 cwt
+.0625
=.3825

Results; 50 tons = 7.65 per net ton
as compared to 7.37 per net ton

Ground Crude Clay
LC Kaolin (w121) 60M @.40 cwt

Results; 9.60 per net ton
as compared to 9.12 per net ton

Ground Crude Talc
RTV Talc (w325) 100M @.40cwt
+.0625
=.4625

Results: 9.25 per net ton
as compared to 9.12 per net ton

We regret to have to add to your cost burdon,but as we are controlled by the tariff schedual we have no choice.

The above are the lowest available to the best of my knowledge.
