Great, thank you Devin!

The location may be a bit fluid, due to Secret Service presence and movement restrictions. We're hearing mobility around the space will be quite limited and restricted.

Looping in Jake Fulkerson and Cole Szymanski who are both on the ground with the Secretary and can give you the best information tomorrow morning. Their cells are below as well.

- Jake Fulkerson – (b) (6)

Thanks again for being so flexible!

Best,
