Dear David:

Attached are a few interesting documents on Abex. I note that you will not see answers to interrogatories 6(d) and 7 in any set you send Abex these days. Those answers have disappeared. I thought you'd enjoy the portion from its annual report in Abex v. FTC, although I know you'll enjoy the reference to cancer being omitted by Saranoc report. My favorite is the NOV 1948 letter from Abex's medical direction that "the basic facts about asbestos are already known".

Very truly yours,

PAUL, REICH & MYERS, P.C.
