Scott and David,

Navajo Nation President Russell Begaye would like to host the April 12 meeting on the Navajo Nation. We have a conference facility outside of Flagstaff that can easily handle all the parties.

We think it would be great to have this second meeting near the economy and point of concern.

I know you are already working on logistics for a meeting, but in case the invitation has not yet been sent out, we are happy to host. If so, please let me know what we can do to help.

Much thanks,

Jackson
