OFFICE OF
SOLID WASTE AND EMERGENCY RESPONSE

MEMORANDUM

SUBJECT: Providing Information to NEIC

FROM: Michael J. Petruska, Chief *MJP*
Regulatory Development Branch

TO: Cate Jenkins, Chemist
Regulatory Development Branch

It has come to my attention that you are in possession of information concerning certain health studies performed by Monsanto Corporation on dioxins. Accordingly, I am directing you, as part of your assigned duties, to meet with Special Agent Kevin Guarino of NEIC to describe the information in your possession, and if Special Agent Guarino thinks the information would be helpful, to provide the information including copies of documents, etc., to him. Please let me know how much time will be involved after you have met.
