Dear EFSA access to document team,

Thank you for your letter dated 23 November 2022 and your offer for a fair solution.

Unfortunately, the dates proposed are conflicting with our reporting schedule and deadlines.

If we receive the document by 19 December, we most probably won't be able to use them; and the work done by EFSA on this request will be reduced to null.

I have a high opinion of public institutions and public servants. I don't consider it would be right to mobilise public resources for nothing.

I would therefore highly appreciate it if you could provide me with a list of the documents falling into the scope of this request as soon as possible, and I would kindly ask you to release the documents by Wednesday 7th evening at the latest.

Thank you for your understanding and assistance.

Best regards,

Stéphane Horel
