Dear Mr. Brown:

Many thanks for your letter of June 17 quoting from a letter written by Dr. Vorwald of Saranac Laboratory to your Mr. J. P. Woodard concerning the monograph on asbestosis which we have been hoping to receive for many moons past. All we can do is to await completion of the work and receipt of the report, and I know you will advise me as soon as this has been achieved.

With kind personal regards, I remain

Yours sincerely,

Reasbey
