Walls that make you sing at your work

ISN'T it wonderful what a little paint will do! How it seems to flood the room with sunlight, sweep it with breezes, and leave you singing over the dreariest, "drudgiest" task a kitchen can know!

For finishing every part of the kitchen there is a Fuller product just suited to its needs. Fuller's Washable Wall Finish can be kept clean by occasionally wiping with a damp cloth. For woodwork, there is Silkenwhite Enamel or Decoret, and for floors, Fuller's Rubber Cement Floor Paint.

And the nicest part is that you can easily do the work yourself and enjoy it thoroughly.

For 74 years W. P. Fuller & Co. has been producing paints, varnishes, enamels, wall finishes and stains. A local dealer has them. Our Service Department will gladly give you advice and mail a little "Home Service" booklet without charge. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.
