brochure dated June, 1956 which also has Owens-Illinois written on here, because this is a time period that Owens-Illinois was manufacturing the product and Owens-Corning was distributing it. This is our Exhibit Number OI-OCF 330.

THE COURT: It will be admitted into evidence.

(Whereupon, Plaintiffs' Exhibit Number OI-OCF 330 was received into evidence.)

MR. SMITH: On page 7 of this brochure under the -- it is regarding Kaylo block insulation, some of the advertisement here, various things they are promoting, and easy fabrication is one section, and this is what it says.

Lightweight, pleasant handling, and nonirritating and nontoxic nature contribute to worker well-being on the job.

Thank you, Your Honor. That is all we have this afternoon.

THE COURT: All right.

Ladies and gentlemen, that concludes the
