SUBJECT Regulatory Affairs, Field Problems and Asbestos Research Report

ACTION REQUIRED: Review for information

Enclosed is the Regulatory Affairs, Field Problems and Asbestos Research Report for the period April - May, 1981. The Report also includes, for continuity purposes, significant regulatory developments during the period January - March, 1981. As with previous mailings, sheets are provided only for those agencies or field problems for which new information was available at time of preparation.

Future issues will be published on a bimonthly basis, i.e. every two months. If you have any questions, please do not hesitate to call.
