Leila: Know you're busy and I hate to bug you, but is there someone to whom you can direct me on this? We're getting ready to send it to the art dept. Thanks. Cheers. Steve

Hey Leila: It was so nice catching up with Ben and you the other night. It was a great event.

Remember last year when we tried to get Sec. Zinke to do a foreword for our Index and we ran out of time before his departure. Well, for this year's edition we are doing a special section on rare earths. I read Sec. Bernhardt's OpEd in the Wash Times and thought it would make (with a few changes emphasizing the energy sector more) and ideal foreword to this year's index. Is there someone you can direct me to explore this? It would make a great message.

Many thanks. Cheers. Steve
