Of a total of 15 members of the Board of Directors, replies were received from 13, after a second notice was sent out, with regard to the 1945 meeting of this Association.

Eight members voted to have a joint meeting with the physicians and nurses. It is evident that regardless of the nature of the vote of the two remaining members, the majority has already expressed itself in favor of a joint meeting for 1945.

I have recently written to Dr. Kehoe, Chairman of the Program Committee for this year, apprising him of the membership of his committee. Dr. Kehoe's committee is now in a position to initiate negotiations with Dr. Holmblad and the physician's Program Committee for next year's meeting.

Cack
J. J. Bloomfield,
President.
