

(Drislane - Purcell)

1 members of the FMSI were also board of director members of
2 the ATI?

3 A No.

4 Q To your knowledge, did any member of the FMSI
5 board of directors ever hold any similar position at the AIA,
6 the Asbestos Information Association?

7 A I don't know the answer to that.

8 Q Did you work with anyone at the AIA other than Mr.
9 Pigg?

10 A No.

11 Q What was Mr. Pigg's position, to your
12 recollection, at the AIA when you did interact with him?

13 A I think he was an executive director. He had a
14 job similar to mine.

15 Q Okay. During the break I had handed you a
16 document that I have marked as Exhibit E. I can, if I could
17 hand you that now, this is a publication I asked you to look
18 at, the original is yellow and it's on harder stock-like
19 cardboard almost and it's printed on both sides and some of
20 the printing is in black and in red. I asked you to take a
21 look at this document and tell me whether or not you had ever
22 seen it before?

23 A Never saw it before.
