

For Many Types of Finishes For All Kinds of Surfaces

paint made with pure white-lead

PAINTERS everywhere find that pure white-lead—like Dutch Boy or Carter—serves them in many ways.

Washable interior wall paint . . . undercoatings for enamel and for Tiffany blends . . . any one of a thousand different tints . . . flat, egg-shell and gloss finishes . . . durable, economical paint for wood, plaster, masonry, wall board or metal . . . blended or mottled effects . . . plastic paint that gives the new low-relief textures—any of these you can get with Dutch Boy or Carter white-lead. Pure white-lead is the all-purpose, all-round paint material—the skilled painter's stand-by.

Obtainable in both heavy paste and soft paste form. Sold by the pound in 100 pound steel kegs; also 50, 25, 12½ pound steel pails.
