

Curriculum Vitae

Peter Gunn Montague

EXPERIENCE:

July, 1983 Director
to Environmental Research Foundation
present P.O. Box 5036
 Annapolis, MD 21403-7036

Founded this public interest research organization focused on hazardous waste problems. Has published many studies of chemical and radioactive landfills, and of incineration problems. Edits weekly newsletter, *Rachel's Hazardous Waste News*. Maintains the on-line RACHEL [Remote Access Chemical Hazards Electronic Library] database for use by the public.

Concurrently
Jan., 1991 Senior Research Analyst, Toxics Campaign
to Greenpeace USA
Jan., 1992 1436 U St., NW
 Washington, DC 2009

Provided research support to 10 community organizers and grass-roots campaigners who helped citizen groups fighting hazardous waste incinerators.

Mar., 1985 Manager of Distributed Computing
to Senior Professional Technical Staff II
Dec., 1990 Office of Computing and Information Technology
 Princeton University
 Princeton, NJ 08544

As Manager of Distributed Computing, held responsibility for developing and extending local area network technology across the University campus. Maintained the on-line RACHEL database, the Remote Access Chemical Hazards Electronic Library (RACHEL).

Dec., 1983 Administrator
to Microcomputer Development Laboratory
Mar., 1985 School of Engineering/Applied Science
 Princeton University
 Princeton, NJ 08544

Responsible for the support of microcomputers outside the Engineering School on the University campus. Created the RACHEL online database.

000002

Dec., 1980 to Dec., 1983 Project Administrator
Hazardous Waste Research Program
Department of Chemical Engineering
School of Engineering/Applied Science
Princeton University
Princeton, NJ 08544

Served as project administrator for the Hazardous Waste Research Program, conducting an interdisciplinary study of the generation and disposal of hazardous wastes in New Jersey.

July, 1979 to Dec., 1980 Visiting Research Fellow
Center for Energy and Environmental Studies
School of Engineering/Applied Science
Princeton University
Princeton, NJ 08544

Conducted research on land disposal of hazardous materials, including radioactive wastes.

January, 1972 to May, 1979 Associate Professor of Architecture and Planning
School of Architecture and Planning
University of New Mexico
Albuquerque, NM 87131

Taught "Introduction to Environmental Problems", "Environmental Impact Analysis", and "Research Concepts and Methods" to undergraduate and graduate students of planning.

Concurrently:

January, 1971 to Present Founding member, Board of Directors
Southwest Research and Information Center
Albuquerque, NM 87106

Helped guide development of this small public interest research organization focused on local and regional environmental problems.

EDUCATION:

Ph.D., American Studies, University of New Mexico, Albuquerque, NM (December, 1971).

M.A., English, Indiana University, Bloomington, Indiana (June, 1967).

B.A., Journalism, University of the Americas, Mexico City, Mexico (December, 1962).

MEMBERSHIPS: American Association for the Advancement of Science; Federation of American Scientists; Society of Environmental Journalists; American Public Health Association.

PERSONAL DATA: Born: Westport, Connecticut, Nov. 6, 1938; Height: 6'5"; Weight: 175 lb.; Health: excellent; References available upon request.

ADDRESS: Peter Gunn Montague
P.O. Box 5036
