When you see the *Dutch Boy* name on acrylic sheet...

it's a good sign.

A sign of quality. Because we don't allow the Dutch Boy name to be placed on just any product.

And when you start with a quality sheet, you get a quality sign.

Dutch Boy acrylic sheet is available in a wide range of sizes and thicknesses. Translucent and transparent. In clears and in bright, durable, fade-resistant Dutch Boy colors.

As we said, with Dutch Boy you're assured of superior quality. Satisfaction. Fast order service. And dependable delivery. Not to overlook the reputation of Dutch Boy and National Lead Company. For Dutch Boy cast acrylic sheet is made by Landover Manufacturing Company—a subsidiary of National Lead, a leader in industry for over 75 years.

Sign up for more information, samples or an appointment with a Dutch Boy representative. Just check and mail the coupon today. Landover Manufacturing Company, Landover, Maryland, a subsidiary of National Lead Company.
