Re: Eirven v. UCC&P

Dear Karen:

In reviewing the Texas City hygiene material, I see that we have monitoring information for Eirven showing two exposures to vinyl chloride after February of 1977 but no sign-in sheets for the period after February of 1977. Could you see whether we could get the SVR sign-in sheets for the period from February 1977 through September of 1977 (or last available date)? Thank you.

Sincerely,

*Ted Theophilos (sr)*
