Hello Sarah,

Thank you for reaching out on behalf of AG Paxton. Administrator Pruitt would be happy to take this meeting. Unfortunately, he is traveling 10/4-10/6. Would AG Paxton be available on 10/3 instead? We could do something later in the afternoon/early evening if he is flying in that day.

Let us know if that would work. Thank you and we look forward to welcoming him here.

Subject: Texas Attorney General Paxton requests meeting

Good afternoon,

I am writing on behalf of Texas Attorney General Ken Paxton. AG Paxton respectfully requests a meeting with EPA Administrator Pruitt while he is in Washington DC, October 3 – 6. The topic of the meeting would be federal regulatory reform, an issue that impacts numerous cases that Texas is currently litigating. In May, AG Paxton led a 16-state coalition in calling on the Trump Administration to take action in accordance with two principles – restoring the role of Congress and ensuring impartial adjudications. AG Paxton would like to share his perspective on the proper scope of federal administration agencies as well as some ideas for practical reforms.

As mentioned above, AG Paxton will be in Washington DC the first week in October and is available for a meeting on the following dates and times:

Wednesday, 10/4, 10:00 – 11:00 am

Thursday, 10/5, 10:00 – 11:00 am, and 2:00 – 3:00 pm

Friday, 10/6, 10:00 – 11:00 am

Please let me know if any of these fits in the Administrator's schedule. If not, please feel free to propose a date/time that works best.

Kind regards,

Sarah Burgess
