are weeds. Unless they are kept down, they divert the nutrition which the soil provides from the growing crops and ruin their productiveness.

Diseases are to the body what weeds are to the soil. They divert the nutrition which is necessary to sound health, and the body, instead of being strong and hardy, drags out a sickly existence. When the stomach is diseased and the other organs of digestion and nutrition are deprived of the necessary elements of vitality. What is known as "weak" heart or "weak" lungs, "weak" nerves and other forms of so-called weakness, are generally caused by "weak" stomach. When the stomach and the other organs of digestion and nutrition are cured, then the other diseases are cured with it. Diseases which are caused by a diseased condition of the stomach are cured through the stomach. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and its associated organs of digestion and nutrition. It cures through the stomach diseases of heart, lungs, liver and other organs. It increases the activity of the blood-making glands, so that the whole body is nourished by an abundant supply of pure blood, rich in the bright red corpuscles of health.

There is no alcohol in "Golden Medical Discovery" and it contains neither opium, cocaine, nor any other narcotic. It is strictly a temperance medicine.

Persons suffering from chronic forms of disease are invited to consult Dr. Pierce's letter free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.
