Nancy,

Thanks for your quick reply. Since I emailed you it has come to my attention that our sister association RISE retained your prior employer, so it would be more appropriate for this meeting request to be directed to Lynn Dekleva.

I'll follow up with Sonia on that.

Thanks and best,
-Jeff

Hi Jeff,
Happy to meet with you and Mano. Fridays are generally best for me.
I am looping in Sonia on our team to assist with scheduling. Please also let her know what topics you would like to cover and if there are any specific career staff you would like to join the discussion.

Best,
Nancy

Hello Nancy,

We haven't met before but I'm the VP of Government Relations at CropLife.

My colleague Mano and I would like to meet with you to initiate a dialogue on a number of issues.

Do you have some time for us to come by your office in the near future?

Thanks and best regards,
-Jeff
