MONSANTO RUBBER CHEMICALS ANSWER YOUR 3 RUBBER RED BOOK QUESTIONS:

1. What rubber chemicals answer my specific compounding problems?
2. ...reduce my compounding costs?
3. ...widen my compounding capability?

ACCELERATORS

aldehyde amine type
A-32
A-100

guanidine type
Diphenylguanidine (DPG)
GUANTAL*

thiozole type
EL-SIXTY*
MERTAX* (purified THIOTAX)
SANTOCURE* Briquettes & Powder
SANTOCURE NS Briquettes & Powder
SANTOCURE 26
THIOFIDE* (benzothiazyl disulfide)
THIOTAX* (2-mercaptobenzothiazole)

ultra type
R-2 Crystals
Accelerator B (THIURAD/THIOTAX Blend)
RZ-50*-A
RZ-50-B (for latex)
THIURAD* (tetramethylthiuram disulfide)
MONO THIURAD (tetramethylthiuram monosulfide)

ANTIOXIDANTS

FLECTOL* H
SANTOFLEX* AW
SANTOFLEX DD
SANTOFLEX 75
SANTOVAR* A
SANTOWHITE* Crystals
SANTOWHITE L
SANTOWHITE MK
SANTOWHITE Powder

PLASTICIZERS

Dibutyl Phthalate (DBP)
Dioctyl Phthalate (DOP)
SANTICIZER* 160 (phthalate ester)
Dioctyl Adipate
SANTICIZER B-16 (glycolate ester)
SANTICIZER 8 (sulfonamide)
Tricresyl Phosphate (TCP)
AROCLOR* (chlorinated polyphenyls)
—and others

REODORANTS

COUMARIN
ETHAVAN*
VANILLIN

SPECIALTY MATERIALS

ELASTOPAR* (butyl modifier)
Insoluble Sulfur "60"
SANTONOX* (polyolefin stabilizer)
SANTONOX R (polyolefin stabilizer)
SULFASAN* R (vulcanizing agent)
Thiocarbanilide ("A-1")

*Monsanto T.M.'s, Reg. U. S. Pat. Off.

1. Monsanto answers your specific compounding problem with a specific suggestion, not with "canned" formulations or "cure-alls" . . . draws from data in more than 18,000 compounding studies and know-how gained in 35 years of work with rubber processors. Jot down your problem and send it in with your return address.

2. Monsanto gives you efficient compounding materials *at lowest cost* when you take advantage of mixed bulk shipment at bulk prices, true one-stop service and simplified purchasing. Ask your Monsanto Rubber Chemicals Representative to help you *plan* for lowest cost purchasing.

3. Monsanto widens your compounding capability with many exclusive benefits from more than 85 accelerators, antioxidants, plasticizers, reodorants, and specialty materials. Use the convenient coupon for your copy of the descriptive catalogue, "Monsanto Chemicals for the Rubber Industry."
