

Interoffice Communication

To : Distribution
From : C. R. Snowden
Date : July 17, 1984
Subject : VALVE TESTING

The purpose of this memo is to inform all personnel in the Mechanical Department of the acceptable procedure for the testing of actuated valves.

- (1) All actuated valves will be pressure tested with the actuator installed.
- (2) The valves will be tested in the closed and open position for internal and steam leaks.

I appreciate your cooperation in implementing this procedure.
